## Accuro wins prestigious Wealthbriefing Swiss Awards 2021

We are delighted to share that Accuro was announced winner at the Wealthbriefing Swiss Awards 2021 in the “Independent Trust or Fiduciary Company” category.

Showcasing ‘best of breed’ providers in the global private banking, wealth management and trusted advisor communities, the awards were designed to recognise companies, teams and individuals which the prestigious panel of judges deemed to have ‘demonstrated innovation and excellence during 2020’.

The judges said: “Accuro recognized the pandemic as an opportunity to invest time and efforts in educating the next generation and in highlighting the topic of mental health, which is particularly important in these times of increased stress and anxiety, resulting in improved client satisfaction and an overall positive impact in the trust industry.”

Natacha Onawelho-Loren, Managing Director of Accuro commented:

“This is a tremendous achievement for the Swiss team in a year which has seen fundamental changes in the way we work with and deliver our services to clients. I am delighted that our efforts to care for our staff while ensuring seamless client service delivery has been recognised.”
